Brief description:

Madhumita. S, representing IEEE RAS, Sri Sai Ram Engineering College, gave a formal welcome address and started the workshop. Then, Mr. K.Mohanraj RAS Advisor, welcomed everyone to the workshop and IEEE Madras section Chairman Dr.K.Porkumaran address the gathering followed by Mr.Himanshu Kumar, Indwell automation. The Advanced Industrial Automation program conducted by Indwell Automation over a span of 7 days successfully achieved its objectives of enhancing knowledge, developing skills, and providing industry insights to participants. The program equipped participants with the necessary tools to implement advanced automation solutions in industrial settings. The hands-on exercises, expert sessions, and project presentations contributed to a comprehensive learning experience. Overall, the program proved to be a valuable opportunity for professionals and students seeking to excel in the field of advanced industrial automation.
