Great Opportunity: Get Visibility for Your Student Project

The Humanitarian Initiative Committee of IEEE Canada is organizing a special workshop as a part of CCECE 2014 <http://www.ieee.ca/ccece14>. Both graduate and undergraduate student projects are invited.

**If you are working on an engineering project that will help humanity,
Send us a 2- page abstract.**

**Selected students can present their work in this workshop.
The best project winner will be financially sponsored to attend the
International Humanitarian Technology Conference in Montreal.**

Student Design Abstracts are invited,
in French or English, for the following symposia.

Circuits, Devices and Systems
Computers, Software and Applications
Control and Robotics
Power Electronics and Energy Systems
Communications and Networking
Signal and Multimedia Processing
Biomedical and Health Informatics
Smart Grids and Renewable Energy

Deadline for Abstract Submission: April 1st, 2014

Reviewer's Feedback to Authors: April 7th, 2014

Notification of Abstract Acceptance: April 15th, 2014

Please register by April 25th, 2014
