

## IEEE Day 2017

IEEE Day 2017 celebration by IEEE Student Branch of PDPM IIITDM, Jabalpur in association with WIE Affinity Group of PDPM IIITDM, Jabalpur witnessed two day event starting from IEEE Quiz Competition on 26<sup>th</sup> September, 2017 followed by a series of activities on 3<sup>rd</sup> October, 2017 which included research poster presentation, invited talks by the head of the disciplines and concluded with a valedictory conclave.

IEEE Quiz Competition was conducted under the supervision of branch chancellor, for the students of the college as a part of student branch calendar technical event along with campaigns involving WIE (Women in Engineering) student branch affinity group. Around 105 students within the institute participated to make it a grand event. The event was volunteered by the members of IEEE Student Branch and WIE Affinity Group: Lalit Kumar (Member, Student Branch), Prateeksha Sharma (Vice-Chair, WIE Affinity Group), Nikhil Agrawal (Member, Student Branch), Shikha Maurya (Member, WIE Affinity Group) and Abhishek Pahuja (Member, Student Branch).

8<sup>th</sup> edition of IEEE Day started on 3<sup>rd</sup> October 2017 in PDPM IIITDM with research poster presentation. The main motive of this event is to have a technical interaction and awareness between peer groups researching in the diversified fields of engineering. 31 post graduate students from different specializations came forward and participated in this competition. One best papers in each disciplines and one best paper for a female candidate to uplift women in engineering have been awarded with a prize money of ₹500 each. The presentation was arbitrated by five judges, Dr. Mohona Ghosh, Dr. Atul Kumar, Dr. Harpreet Singh, Dr. Tripti Singh and Dr. Deepmala from CSE, ECE, ME, Design and NS Discipline respectively.

The glamour of the day was the invited talks by the different head of the disciplines on the allied areas of IEEE fulling the theme of IEEE Day: “Leveraging Technology for a Better Tomorrow”. Prof. V. K. Gupta, Head ME Discipline delivered a talk on Latest trends in Robotics

while Dr. Subir Singh Lamba, Head NS Discipline highlighted one of the basics of engineering i.e. Riemann Integration and its Inadequacy. Dr. Prabir Mukopadhyay, Head Design Discipline gave a thought provoking talk on Human Machine Interaction. Dr. Atul Gupta highlighted the points on Industrial Automation.

The splendid celebration ended with a valedictory conclave. It started with the felicitation of the head of the disciplines for delivering their talk and sharing their valuable knowledge. The female executive committee of the student branch and the executive committee of WIE Affinity group felicitated the heads. Thereafter, the jury members of the research poster presentation were felicitated for sparing precious time from their busy schedule.

Then, the winners of the Quiz Competition were announced and the branch counsellor awarded each of them with a certificate, prize money and a sponsored t-shirt. Henceforth, the winners of research poster presentation from each discipline were announced and awarded with a certificate, prize money and a sponsored t-shirt. The event was organised successfully with the active contribution of the Executive Committee.

Student Branch Counsellor:

Dr. Biswajeet Mukherjee.  
Asst. Professor – ECE Discipline.

Executive Committee:

1. Chetna Sharma – Chairman, Student Branch
2. Ila Sharma – Chairman, WIE Affinity Group
3. Vinay Kumar KillamShetty - Vice Chairman, Student Branch
4. Rishika Trivedi - Secretary, Student Branch
5. Ravi Dutt Gupta - Treasurer, Student Branch
